Public Participation

RTF Meeting

Local RTF Project Amendment

(outside of MPO boundary)

Start → Project & program changes are approved at the RTF Regional Meeting → RPA programs project/ makes CR in JobNet → **Planning Process** → FHWA/FTA Approves

Approval date is auto-populated in JobNet → JobNet sends notification

(Role based, to include MPO, FHWA, FTA, RPA, SPS, Region System Managers and Region Planners) → End

STIP-Outside MPO boundary

Public Participation

(Posting of changes in the STIP)

SPS reviews and approves projects in JobNet as changes are generated → SPS (Mark Kloha)

Runs report for all changes to STIP

(projects outside of MPO) → Posting of changes in the STIP for public comment → SPS submits to FHWA/FTA for approval via JobNet
